

Prem Waje

Java Backend Developer

Nashik, Maharashtra, India

wajeprem0301@gmail.com — +91-7276561175 — GitHub — LinkedIn — Portfolio

Professional Summary

Java Backend Developer with hands-on experience building backend systems using Java, Spring Boot, JDBC, MySQL, and MongoDB. Skilled in REST API development, database design, and writing clean, maintainable backend code for real-world applications.

Technical Skills

Languages: Java, SQL, JavaScript, HTML, CSS

Backend: Spring Boot, Spring, JDBC, Servlets, JSP

Databases: MySQL, MongoDB (Basic)

Tools: Git, GitHub, IntelliJ IDEA

Concepts: OOP, MVC Architecture, REST APIs, CRUD Operations

Projects

Smart Inventory Management System

Java, Spring Boot, JPA, MySQL

- Developed a backend inventory management system using Spring Boot.
- Built RESTful APIs for product, stock, and user management.
- Implemented CRUD operations with Spring Data JPA and MySQL.
- Applied role-based access control (RBAC) and modular architecture.

Electricity Billing System

Java, JDBC, Swing, MySQL

- Developed a desktop-based billing application using Core Java and Swing.
- Implemented JDBC connectivity for database-driven operations.
- Designed relational database schema for customers and billing records.
- Automated bill calculation based on unit consumption.

Internship Experience

Web Development Intern — Cognifyz Technologies

Dec 2024 – Jan 2025

- Built responsive web pages using HTML, CSS, and JavaScript.
- Implemented UI components, forms, and client-side validation.
- Gained practical exposure to frontend-backend interaction.

Education

Master of Computer Applications (MCA)

2025 – 2027

K. K. Wagh Institute of Engineering Education and Research, Nashik

Bachelor of Computer Applications (BCA)

2022 – 2025

KVN Naik College of Science, Commerce and Arts, Nashik

CGPA: 7.01 — Grade: A

Certifications

- Java Certification — ISO 9001:2015
- C and C++ Certification — ISO 9001:2015
- Git and GitHub Certification
