Professional Summary

Motivated MCA student and aspiring Full Stack Java Developer with hands-on experience in Java-based application development. Proficient in backend development using Java, Spring Boot, JDBC, and MySQL, with a solid understanding of database design and CRUD operations. Experienced in building end-to-end applications through academic projects and structured internship training.

Technical Skills

Languages	Java, SQL, JavaScript (ES6+), HTML5, CSS3
Backend	Spring Boot, Spring MVC, JDBC, JSP, Servlets, REST APIs
Databases	MySQL
Tools	Git, GitHub, Docker

Technical Projects

2024 — Electricity Billing System (GitHub), *Java, JDBC, Swing, MySQL*
- Developed a desktop-based electricity billing application using **Java Swing**.
- Implemented database connectivity using **JDBC** for CRUD operations.
- Designed MySQL tables for customers, meter readings, and billing records.
- Automated electricity bill calculation based on unit consumption.

2025 — Smart Inventory Management System (GitHub), *Java, Spring Boot, Spring Data JPA, MySQL*
- Developed a backend inventory management system using **Spring Boot**.
- Built RESTful CRUD APIs using **Spring Data JPA**.
- Implemented role-based access control (RBAC) for Admin and Staff users.

Internship Experience

2025 — Web Development Intern, *Cognifyz Technologies (Dec–Jan)*, Remote
- Completed a structured web development internship focused on **HTML, CSS, and JavaScript**.
- Built static and interactive webpages, forms, and UI components.
- Implemented responsive layouts using **CSS media queries** and Bootstrap.

Education

2025–2027 — Master of Computer Applications (MCA), *K. K. Wagh College of Engineering Institute and Research*, Nashik
Relevant Coursework: Advanced Java, Data Structures, Software Engineering, Database Management Systems.

2022–2025 — Bachelor of Computer Applications (BCA), *KVN Naik College of Science, Commerce and Arts*, Nashik, CGPA: 7.01
Graduated with Grade 'A'.

Certifications

2024	Java Certification – ISO 9001:2015
2023	C and C++ Certification – ISO 9001:2015
2025	Git and GitHub
